

PREMIUM HANDHELD BUNDLE PROMOTION

Limited Time Offer

Dear Sales Team,

With every product registration on our customer portal (portal.flir.com) of an eligible Exx- or Txxx-Series Camera, customers will be able to benefit from the following:

Register an eligible Exx- or Txxx-Series Camera on the Flir Customer Portal and receive:

FREE Flir Protect  3-year extended warranty (total of 5 years)	FREE Assetlink or Ignite Pro   Assetlink Multi-Tenant (18-month) OR Ignite Pro (1-year) License	FREE ITC Course  2-Hour Instructor-Led Training Course
--	---	--

HOW THE PROMOTION WORKS:

1. Eligible Product Purchase

Customer purchases one of the following eligible products:
All Flir Exx, T5xx, T8xx models.

2. QR Code in Product Box

Each eligible Exx-Series and Txxx-Series product box includes a QR code.

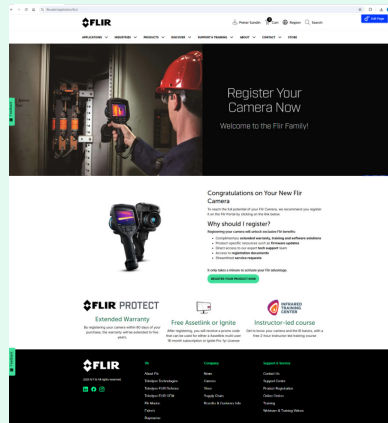

3. Dedicated Landing Page

That QR code directs customers to a Flir landing page with a unique serialized link for their individual product. Here they can learn more about the benefits of the product registration. You can also visit the page here:

www.flir.com/registration/Exx?sn=xxxxxxxx?pn=xxxxxxxx

www.flir.com/registration/Txxx?sn=xxxxxxxx?pn=xxxxxxxx
(Placeholders for Serial Number and Part Number)

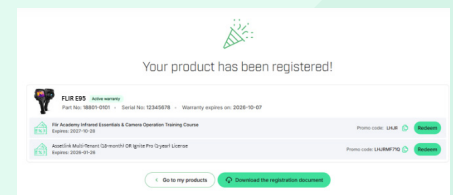

4. One-Click Product Registration

By selecting "Register your product now", the customer is taken directly to the Flir Customer Portal. Thanks to the serialized link, the product's serial number and part number are automatically pre-populated, removing the need for manual entry.

5. Promotion Redemption

The customer will see a "Redeem" option for the different benefits.

6. Checkout & Promo Code Use

The customer can click straight through to the Flir e-commerce store and use their Promo Code at checkout or get directed to the respective sign up pages.

For any questions regarding the promotion, please reach out to John Gould
john.gould@teledyne.com

PLEASE NOTE:

All order processing, delivery, and fulfilment of the benefits will be handled directly by Flir. This promotion does not apply to T1k cameras. Products need to be registered within 60 days of purchase in order to redeem the benefits. Sales team members are not required to manage redemption of logistics for this promotion. The Promotion ends on 30th September 2026.
